

# Paint Cakes - Art Classes for Home Schooled Kids

## Spring Break Workshops

### Tuesday, March 27th - Soap Stone Carving

10 AM - 2 PM

Soap Stone Carving is something that everyone should experience at least once. Few things are as satisfying as turning a simple piece of stone into a beautiful keepsake that will last a lifetime. Ages 6 and up. Parents welcome to register:) Bring a lunch:)

\$47.50 plus GST. All supplies included.

### Wednesday, March 28th - Lino Cutting for Beginners

12:30 PM - 3:30 PM

Lino Cutting is something new in my art room this year. I have seen it around for sometime now and I finally took the plunge and purchased the supplies needed to give it a try. I love it! In this class students will design and carve a 4x6 beginner Lino piece and use it to create multiple prints. Students should be old enough to handle a sharp carving tool. (Parents welcome to register:)

\$31.50 plus GST. All supplies included.

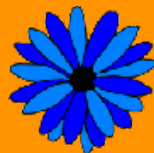

### Thursday, March 29th - Spring Collographs

10 AM - 12 PM

Collographs are the opposite of Lino printing. Instead of carving out students will be building up. In this class students will design and create a collograph board and use it to create multiple prints. Grades 1 and up.

\$15.00 plus GST
